

Telerehabilitation certificate program

Sabine Schimscha, PT

Landesverbandsvorsitzende Physio Austria Wien

wien@physioaustria.at

2018 – the start of everything

1. Politics of Physio Austria
2. Coincidence: Own Schooling ReAbilityOnline 1.0
3. Using and Schooling 1.0
4. 2020 Developing ReAbilityOnline 2.0
5. 2021 Changing to MiraReha

Education

Schooling
Teaching

Development of something new

Politics by Physio Austria

- Law: Permission by regulation of Ministry of Health
- Refundation of the insurances - 2020 1. lockdown (ÖGK, BVAEB, SVS)
- Products of companies – cooperation?

Development of a course for certification 2018/2019

Who is able to manage this? Team?

What do we need for therapy „lege artis“?

Contents?

How can we manage this?

Costs?

Whome? Just for physiotherapists?

schooling versus education?

Selfresponsibility (law, guidelines,..)

evidence

Datasecurity

systems in theory

How to use technical devices/ products

Patient`s report with 1 system

What`s up in the future?

- **Network „Telerehabilitation and assistive technologies“**
- **Course for telerehabilitation (2 modules)**
- **Users expertise from abroad**
- **Cooperation with Phydelio and the national associations of PA**
- **Increase user experience in Austria („digital leaders“) and Studies**

Thank you very much
for listening!
